## Fast Patch Repair Kits

### Professional Results

Fast Patch  
Poured-in-Place  
Repair Kits were developed  
to quickly repair damaged  
areas on rubber playground  
surfaces with the simplest of  
ease. Available in many solid  
and mixed color combinations,  
each "kit" contains pre measured  
amounts of rubber and binder to  
make any repair job a breeze.  
Each Fast Patch wear layer kits  
repairs approx. 6 sq ft at 1/2'  
depth, and the base layer kit will  
repair 4 sq ft at 2" depth.  
Repairing Poured-in-Place  
Surfacing and Running  
Tracks is fast and easy!  
Custom blends  
available
