

Make your dog park a community destination

Dog Park *Equipment*

Our agility courses are based on popular agility obstacles and have been developed for use by dogs of all abilities and confidence levels. Most of all, BarkParks build attractive and fun places for pets and their families to exercise, socialize and enjoy nature!

BarkParks bring people and communities together!

Coming soon... A Best Practice Guide on Dog Parks!

There is an array of studies regarding the **benefits of dog parks**; the benefits of off-leash dog parks involve not only the dogs, but also the dog owners and their communities.

A BarkPark...

- 🐾 Promotes healthy behavior in dogs & dog owners
- 🐾 Offers Exclusive Caninecoat™ thermoplastic coating
- 🐾 Available in 6 pre-configured agility courses
- 🐾 Are made in the USA
- 🐾 Are Commercial Grade
- 🐾 Offers coordinating site amenities and accessories

The comfort and safety of your dog is important to us which is why we developed our CanineCoat™ thermoplastic coating. Our steel walking surfaces that come in contact with your dog's paws feature BarkPark's proprietary CanineCoat.

- ✓ Slip Resistant
- ✓ All-weather, UV Protection

- ✓ Durable, resistant to vandalism
- ✓ Urine Resistant

 **Playful Color option**

 **Natural Color option**

COURSE BARK-BSTKIT

Let your best friend be Best in Show!
We took our most popular activities and added our popular Pet Waste Station, Sit & Stay Bench and Tidy Up Trash Receptacle. This is a perfect complete package.
Suggested minimum use zone: 28' x 22'

Kit Includes:

- Rover Jump Over
- Paws Table/Grooming Table
- Doggie Crawl
- Hoop Jump
- Sit & Stay Bench
- Trash Receptacle
- Pet Waste Station

novice

COURSE BARK-NVKIT

Our beginner course includes four (4) exciting and fun components that can be used intuitively by most dogs. This equipment is a great choice for drawing new and returning visitors to the dog park!
Suggested minimum use zone: 35' x 35'

Kit Includes:

- Rover Jump Over
- Paws Table/Grooming Table
- Doggie Crawl
- Hoop Jump

intermediate

COURSE BARK-ITKIT

Our moderate difficulty course offers six (6) activities to create an attractive dog play area in any park, public space, or pet care facility. During play, dogs can begin to master skills such as climbing, balance, jumping, crawling, and more.
Suggested minimum use zone: 45' x 50'

Kit Includes:

- Rover Jump Over
- Paws Table/Grooming Table
- Doggie Crawl
- Hoop Jump
- Stepping Paws (5)
- King of the Hill

Our pre-configured courses are based on popular agility obstacles. The obstacles provide activities for dogs regardless of ability, skill, and confidence level while promoting physical activity and healthy play behavior.

small dog

COURSE BARK-SMKIT

Good things come in small packages, which is why we created this agility course for small dogs. It features a newly designed Hoop Jump that is shorter to the ground and features smaller hoops that are just the right size for teacups and terriers. This course also features the Doggie Crawl, Weave Posts and Paws Table. Installation height of the Paws Table can be shortened to accommodate smaller dogs. Standard installed height is 12". Suggested minimum use zone: 19' x 23'

Kit Includes:

- Paws Table/Grooming Table
- Doggie Crawl
- Hoop Jump
- Weave Posts

**Site Furnishings
sold separately.**

BARK-XPKIT COURSE

hoop jump

The Hoop Jump is a progressive jump trainer for dogs of all abilities which features three rings of increasing heights. Mounts inground.

Specify Color Option

TBARK-430 46.75" L x 1" W x 53" H

32 lbs.

small hoop jump

Our new Small Hoop Jump was designed specifically for little legs in mind! The hoops are staggered in 3 different heights. Mounts inground.

Specify Color Option

TBARK-431 50" L x 1" W x 25.5" H 15 lbs.

ROVER JUMP OVER

The Rover Jump Over is an adjustable jump bar challenge that allows for quick and easy height changes — higher for experienced jumpers and lower for beginners and small dogs. The height can adjust simply by moving the bar to higher notches in the frame.

Mounts inground.

PBARK-450 78" L x 42.5" W x 34.5" H 75 lbs.

Specify Color Option

doggie crawl

The Doggie Crawl is a classic crawl tunnel that features many spyholes for increased interior brightness and superior supervision. The large diameter tunnel allows entry by most dogs and is made of heavy-duty rotomolded plastic. It can be surface mounted with ground spikes (included) or mounted inground. Some assembly required.

Specify Color Option

PBARK-491 44" L x 40" W x 45" H 90 lbs.

paws/grooming table

The "Paws" Table provides a place for dogs to take a rest break while running the BarkPark™ course or to practice sit and stay commands. Basic grooming can also be accomplished while the dog takes a pause. Mounts inground.

Specify Color Option

PBARK-420 36" L x 36" W x 12" H 56 lbs.

king of the hill

Let them be King! The King of the Hill provides a challenge for all dogs to walk or run up an incline and descend the other side at their own pace and confidence level. Endurance and balancing capacity are also developed. Mounts inground.

PBARK-400 127.5" L x 30" W x 48.25" H 240 lbs.

Specify Color Option

weave posts

The flexible Weave Posts include a set of six posts. The posts are manufactured in sets of three on surface-mount plates that allow for easy alignment. Each post is powder coated and has a flexible rubber stopper located at the attachment point that provides great spring action for safety and smooth pacing even at top speeds.

PBARK-460 132" L x 2" W x 35" H 84 lbs.

Specify Color Option

teeter totter

The Teeter Toter offers the challenge of an obstacle that the dog must "control." Once mastered, the Teeter Toter can be a real confidence booster for dogs in terms of balance. Mounts inground.

PBARK-440 92" L x 25.5" W 100 lbs.

Specify Color Option

stepping paws

The Stepping Paws require the dog to either step or jump from each platform as the pods increase and decrease in height while helping to develop balance and confidence. The pods can be arranged to provide a true test of agility or to create a fun obstacle for dogs to play. Surface mounted.

PBARK-470 14.5" OD

75 lbs.

Specify Color Option

Color as shown

new!

fire hydrant

The most popular spot in the park! The Fire Hydrant is resistant to urine and creates a fun social hang-out! Surface mounted.

TBARK-465 13.5" W x 25" H

41 lbs.

dog walk

The Dog Walk is the largest BarkPark™ component and is made up of three non-slip planks supported by inground mounted posts. Dogs can walk or run up, across, and down the planks based on their individual level of balance and confidence. Mounts inground.

PBARK-410 230.25" L x 30" W x 32" H 100 lbs.

Specify Color Option

leash post

The Leash Post provides a place to hang a leash or park a dog while getting things ready. Can be mounted near benches and tables either by ground spike or anchor bolts.

PBARK-480 8" L x 8" W x 36.5" H 33 lbs.

Specify Color Option

welcome sign

The Welcome Sign sets the tone and the rules for the park to help promote safety and fun for everyone. Mounts inground.

Specify Color Option

PBARK-495 24" L x 2" W x 60" H 50 lbs.

Locking Bag Dispenser

pet waste station

The ideal solution for promoting healthy, waste-free communities. Encourages dog owners to pick up after their pets. The locking dispenser holds two (2) 200ct refill boxes (*included*) and the convenient trash receptacle keeps the refuse neatly out of sight. Color as shown.

Ask about custom sign graphics and pricing.

PBARK-490 9.25" L x 12.75" W x 67" H 22 lbs.

pet waste station bag refills

BarkPark offers refills on the waste station bags. The waste bags come in boxes of 200, and our bag dispenser holds two boxes.

Call to replenish waste bags.

01-08-0074 8.75" L x 3" W x 3" H 1 lb.

shades, shelters & bike racks

Fabric shades, shelters, and bike racks are perfect to complete any site. Shades and shelters provide comfortable spaces for community places, while bike racks provide secure parking for cyclists. Find these and more furnishings at Ultra-Site.com.

wear mats

Made from 85% recycled rubber, Wear Mats help to provide stability and longevity for surfaces when placed in high traffic areas. They can be placed on top of the surface and will reduce maintenance time and cost in areas where they are used. Color: Black.
